(Republican and Democratic Precinct Chair candidates appearing on the cards are not listed.)

Key:

- P = Primary Election
- G = General Election
- S = Special Election
- R = Republican
- L = Libertarian
- 2 = Endorsed only in runoff
- !! = Repudiated the endorsement
- * = Won the Election (I think!)

Notes:

Discreet (closeted?) endorsements were made in 1975, including Fred Hofheinz for Mayor and Leonel Castillo for Controller. An endorsement mailing was done in 1976. Full public endorsements don't appear to have occurred until 1977.

No endorsements were made in 1985 -- the city election following the referendum. All incumbent officeholders agreed not to screen, bowing to pressure from their "Straight Slate" opponents. A "non-card" was distributed by Montrose precinct captains. Two incumbents were forced into run-offs, and the caucus endorsed them then.
